Thank you to...

- ▣ Dave Mussell at Alberta Environment and Parks for providing meeting space and encouragement
- ▣ Dave Trew and the staff of the NSW A for providing support and advice
- ▣ ALMS for inviting us to speak today and all the great work they do
- ▣ Members of the Lakes of Parkland County group

Collaboration works!

- Information sharing
- Building awareness of watershed groups at the County and AEP
- Share concerns and successes
- Encouragement
- Relationship building

YES – There is Life
on Other Lakes!!

and

YES - There is
strength in numbers
and power in
collaboration
