

Alberta Lake Management Society

STUDENT SCHOLARSHIP

The Alberta Lake Management Society (ALMS) invites students to apply for the 20th annual scholarship established to assist students who conduct research or studies that aid the management of lakes and their watersheds.

Who is eligible?

Full time senior undergraduate or graduate students enrolled in disciplines related to lake or watershed management at Canadian postsecondary institutions. Preference will be given to individuals working on Alberta lake ecosystems.

What are the criteria?

A scholarship review committee appointed by the Board of Directors will consider academic achievement, quality and relevance of research project description, a statement of career goals, volunteer and work experience and relevance of the course of study to the objectives of ALMS.

How much is the award?

A single scholarship of \$2000 will be awarded for a one-year period.

Application Deadline

Applicants must submit the scholarship application form to the review committee of the Alberta Lake Management Society no later than **July 31, 2023**.

Notification of Recipient

The scholarship recipient will be notified in the fall. The recipient will be expected to address the Annual General Meeting in the fall and present a progress report on research planned or undertaken.

More information on application guidelines are available on our website (alms.ca/scholarship). Please email your application directly to info@alms.ca
