2022-23 ANNUAL REPORT

The graphic features a grid of 15 annual report covers, each with a unique landscape or nature-themed image. The covers are arranged in a grid that is mostly 3 rows by 5 columns, with the final cell in the bottom right corner being empty. The overall design is clean and professional, with a blue and green color palette.

1. The Athabasca Watershed

As one staff member put it *"I can't believe I get paid to work here!"*

2. The Water for Life Strategy

Working towards:

- Safe, secure drinking water supplies
- Healthy Aquatic Ecosystems (including lakes!)
- Reliable supplies for a sustainable economy
