## TAKE IT OFF!

Together, we can keep the lake healthy by removing or reporting abandoned ice fishing huts. Remember to remove your debris, take your waste and **LEAVE NO TRACE** to help protect fish & wildlife habitats.

Register your ice hut at: [www.sylvanlake.ca/take-it-off](http://www.sylvanlake.ca/take-it-off)

Leave NO Trace ALL YEAR!

# 1

## EDUCATION: BROCHURE

### TAKE IT OFF!

Remove all ice fishing huts by March 31

For environmental complaints, please call  
Alberta Environment & Parks Hotline:  
1.800.222.6514

Abandoning an ice fishing hut during the spring melt is NOT an option! Debris, including wood, gasoline, furniture, plastic and metal, ends up settling to the bottom of the lake or floating to the surface after the ice has left. This contamination is detrimental to fish and waterfowl habitats, and is a safety hazard for other users of the lake. **No matter the season LEAVE NO TRACE!**

As part of our TAKE IT OFF program, the Sylvan Lake Management Committee is asking you to register your ice hut. Registration allows for increased protection of your property and our lake.

Access your online registration form at: [www.sylvanlake.ca/take-it-off](http://www.sylvanlake.ca/take-it-off)

## HUT REMOVAL

# 3

## CHALLENGES

How do we remove abandoned ice huts after the March 31<sup>st</sup> close of ice fishing season, when our 8 partner municipalities have no authority over the ice?

# 3

## SOLUTIONS

- Identification information on the huts
- Authorization for municipalities to remove the abandoned huts (“debris”)

# 4

## RESOLUTION

Ask the province to put regulations in place to identify owners of ice huts and make them accountable for their participation in the sport.

# Where do we go from here

- Build Collaborative Support
- Program Expansion
